Hindi speech

Till now the emotions were being conveyed in the language of dance and now we shall hear it in the language of impactful words!

Astros Sr

“Teen rango ka nahi washtra, ye dhawaj desh ki shan hai,
har bhartiye ke dil ka yehi to swabhiman hai, yahi ganga yahi
himalaya yehi hind ki jan hai, tin rango me ranga hua ye apna
hindustan hai “

Now keeping the spirit alive, Brace yourself for a high-octane dose of entertainment. I'd like to invite all of The Astros senior dance group to convey a heartwarming story using the language of dance.

Biogens Sr.

Dance is, in my opinion, one of the holiest art forms.

Dancers were once thought to be God's messengers because they could convey a wide range of emotions and narrate history or a story in an engaging way.

So get ready for a whirlwind of joy and excitement. Without further ado, let us call out the biogens senior dance team to melt your hearts with a lively storyline induced with dance.
